Migration to New CM/ECF Servers

During the month of April, the court will install new HP G6 ECF Servers. Unfortunately, we will need to occasionally limit ECF access in order to prepare for the migration to the new servers. Every effort will be made to schedule down time after 5:00 p.m. or on the weekends. We intend to provide as much prior notice as possible regarding the availability of ECF.

Changes to the CM/ECF Menu

Over the next few weeks there will be changes to the Menus in CM/ECF. The SEARCH feature (available on the menu bar) is a great way to look for events. If you are unable to find an event please call the clerk's office for assistance 251-441-5391. A new menu titled **Scheds/Statements/Amended Matrix** was added to the menu on March 26, 2010. Under this menu you have the option to file the **Statement of Financial Affairs, Original Schedules, Amended Schedules, Conversion Petition and Schedules, Summary of Schedules, and the Amended Creditor Matrix.**
