Effective Monday, **June 6, 2011**, the Bankruptcy Noticing Center (BNC) will begin sending the debtor's attorney an email containing a secure hyperlink to the 341 notice in place of printing and sending the notice via the United States Postal Service. This change will become effective for all courts that use the Case Management/Electronic Case Files (CM/ECF) Reduced Paper Module (RPM) and are on CM/ECF Release 4.1.

Also, the June 2011 edition of *News from the Court* is posted here:
