FINAL PLAN SUMMARIES IN CHAPTER 13 CASES

If the chapter 13 trustee files a “notice to correct” regarding the final plan summary required by Local Bankruptcy Rule 3015-2(d), counsel for debtor(s) must file a corrected final plan summary within ten days of the notice. Failure to do so may result in dismissal of the case or reduction of attorney’s fees.

Effective immediately, the final plan summary will be a public filing event in CM/ECF. However, the event will remain informational only, and parties other than the chapter 13 trustee cannot file objections or other responses to the filing.
