NOTICE OF CONTINUED CHAPTER 13 CONFIRMATION HEARINGS

Bankruptcy Rule 2002(b) requires 28 days' notice of the hearing to consider confirmation of a chapter 13 plan. The notice of commencement which is served on all creditors upon the filing of a chapter 13 case contains a notice of confirmation hearing. If a debtor files and serves an original or amended plan more than 28 days before the initial confirmation date or a continued confirmation date which has been noticed to all creditors, no additional notice of the confirmation date is required. However, if the debtor files and serves an original or amended plan (1) within 28 days of any confirmation hearing date (initial or continued) or (2) at any time before a pending confirmation date which has not been noticed to all creditors, then the chapter 13 trustee is directed to provide at least 28 days' notice to creditors of the confirmation hearing date (and continuing it if necessary).
