SERVICE OF MOTIONS TO MODIFY CONFIRMED CHAPTER 13 PLANS

The first paragraph of Local Bankruptcy Rule 3015-2(f) is amended to read as follows:

(f) Postconfirmation modifications to plans. A motion to modify a confirmed plan must be specific as to the proposed modification. The debtor is not required to sign the motion to modify, and no amended plan is required. All motions to modify a confirmed plan must be served upon the debtor(s), trustee (unless filed by the trustee), and counsel for debtor(s) (unless filed by that counsel). The motion must also be served on any creditor whose treatment is proposed to be modified (using the notice address on the creditor's most recent proof of claim). A proposed modification which would reduce the percentage distribution on unsecured claims must also be served on all creditors that have filed a proof of claim by using the mailing matrix available in CM/ECF. However, a debtor's motion to modify seeking to change the term of the plan or temporarily suspend plan payments is not required to be served on creditors other than the chapter 13 trustee if it does not otherwise seek to modify the treatment of claims.

The mailing matrix for creditors that have filed claims can currently be found by going to "Reports," then "Mailing Matrix by Case," and then "Creditors who have filed claims."

This order supersedes Administrative Order No. 2021-3, which is hereby rescinded.
