then started tearing into the walls, ceilings, and ripping up the flooring from the top of the building down. Many of the spaces that have been so well know for the last 80+ years are no longer recognizable.

next phase of the project; the repair and alteration of the historic courthouse. Notice to proceed was issued effective on July 24, 2018 and the crews got to work laying out for the demolition and safing-off the building's utilities. Demolition crews

The repair and alteration will modernize the building systems, improve its energy efficiency, make it more secure, and restore its historic elements. The work is expected to be substantially complete in the spring of 2020.

DEDICATION DAY: The formal dedication ceremony of the new courthouse for the United States District Court, Southern District of Alabama is on Friday, September 7, 2018.

CAMPBELL DESIGN: The design team submitted the 100% construction documents in July 2018 and the team has been working on reconciling the prior comments with the latest documents. The project team is also working to incorporate some additional significant betterments into the construction project that will further enhance the finished building.
